St. Louis, Mo., September 22.—The
Braves made it three straight from the
Cardinals by winning to-day's game,
be to 1. Errors by the locals were
largely responsible for the size of the
score. Griner started for the locals,
but was relieved by Trekell before
the first inning was over. Hess went
all the way for the visitors. The
Braves won the game in the first,
when three runs were stored. The

Washington, D. C., September 22.—
Doctor Ayers started his first major
icague game here this afternoon, and
would have been justified in tossing
his glove high in the air and quitting
in disgust on account of the support
handed him by his teammates.
St. Louis won, 7 to 5, in a battle
which lasted nearly three hours, during which time the Nationals managed to pile up seven errors, most of
them coming when air-light support
was demanded.

LAST CHANCE TO ENTER MARATHON

This is the last week in which entries for The Times-Dispatch's Modified Marathon, to be run through the streets of Richmond, over a course measuring twelve miles, can be made. The entry list closes Saturday. Very naturally, a great many of the colleges and other organizations are waiting until the last minute to tell the names of the men to represent them. The mere announcement that the University of Virginia, Washington and Lee University, V. M. I., V. P. I., Richmond College, Randolph-Macon, Hampden-Sidney and other schools expect to have entries is assurance enough of the calibre of the contestants.

One of the really pleasing, as well as gratifying, developments is the manner in which Richmond organizations have taken interest in the run. The Church Civic Association, of which F. S. Tousey is director; the John Marshall High School, the several athletic associations and the Virginia Boat Club will all have entries.

If reports be true, the run is going to be made in very nearly record time. Some of the men who have been training for the race have been over the course, and unless the watches of those who timed them were out of gear, they have been doing wonderful work.

The thing to be remembered now is to get the entries in by Saturday night. After that time none will be considered. Any entry may be withdrawn by notifying the games committee. Monday morning the program will be sent to the printer, and it will be a disappointment to the committee as well as to you if your name is not among those who are to compete for the prizes

Coaches Give Virginia's Squad Grilling Scrimmage for More Than Hour.

[Special to The Times-Dispatch.] Charlottesville, Va., September 22.— Real football weather prevailed to-day and the Virginia squad was kept on the field until dark. There was a lively hour's scrimmage between two picked teams, and nearly every new man was given an opportunity to show his worth. The play was very ragged, only two touchdowns being made. Ran-

Mayer, Gooch, Word, Landes and Ray were given a long punting drill by Crawford, while Varner instructed the line men in charging and boxing each other. Cobb Signs Bank Notes

Washington, September 22 .- Collectors doubtless will be on the lookout soon for some national bank notes which were signed a few days ago by "Ty" Cobb, cenfew days ago by "Ty" Cobb, cen-tre fielder of the Detroit baseball

club.

When the star player was here recently he visited the Treasury Department. While being shown through he asked to see some of the bank notes of the First National Hank of Lavonia, Ga. On informing the officer in charge that he was a director in that bank, and as such entitled to ster more. as such entitled to sign money printed for that institution, the ball player placed his signature on sev eral sheets of the notes.

Real Work—All Old
Men Back.

The Invincibles got down to real work Saturday when Couch Jake Robles put them to some real football.

The first team lined up against the Scrubs for about a half hours scrimmage. The team is well supplied with backfield men and it is rumored that Hoover, last year's star tackle of the John Marshall High School, will be out. This will add more interest, and will make the present first team men go some, as King, as he is known among his friends, is a very fast and heady player, and the invincibles are very glad to have him with them

John Dudley, one of last year's guarda, put up a fine game in the scrimmage Saturday. Word showed up well in the punting line; his ends should have no trouble in getting down on them, as they are long and high. The Invincibles have quites a few out-oftown games pending, and have a few dates open still. Any out-of-town teams desting to play them should communicate with Grey Davis, manager, who will be glad to hear from them.

The team is working very hard, as they work. Mr. Roblee is very well satisfied with the team, and claims he will have the fastest bunch in town.

Orebaugh, better known in the world of sports as Midget, will in all likelihood be out this week for quarterback. This should make the backfield one of the fastest in the city, as Midget is a fast man and a great general. He formerly played with the Tigers, and was considered one of the gamest men on the team as well as the best quarter in the city.

Garrett is still playing at centre, and the way he played Saturday looks like he is to make his place with ease. The only man in the city.
